MADE OF STEEL: Classic & Timeless
IN STYLE CORAL: Designed with clean, smooth lines, that will create a timeless look in your outdoor area.

UPGRADE TO A DOUBLE GATE

DGKTXB

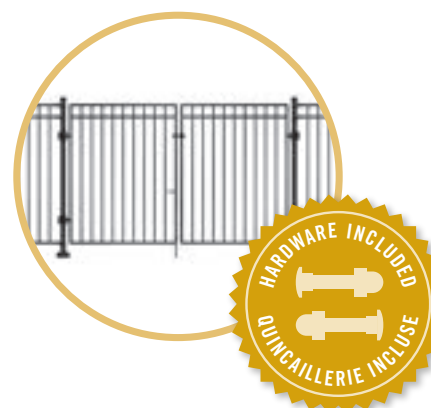

Double Gate Conversion Kit (1 pc)

This kit easily combines two Nuvo Iron single gates into one sleek, unified double gate, blending style and function.

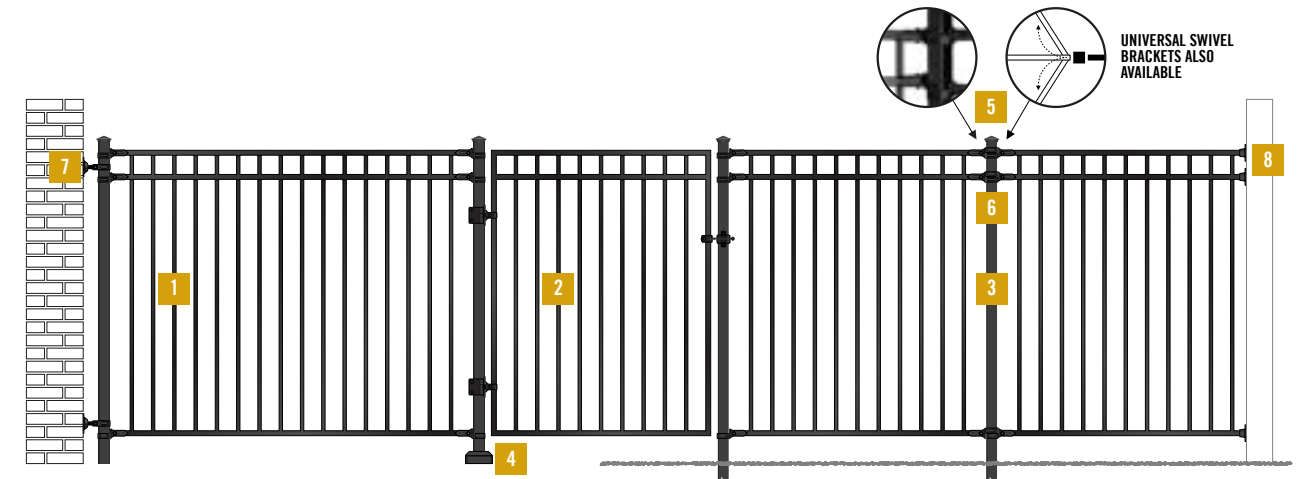

What's Included | One (1) 24" long lockable cane bolt, one (1) lockable latch catch and all hardware and bolts required for installation with our iron gates.

**This kit doesn't include a finger for the catch as you can utilize the finger from either of the two Nuvo Iron gates you're combining.*

UPC #664723448435

UNDERSTANDING THE LEGACY COLLECTION

1 FENCE SECTION

Includes one fence section and 6 brackets for standard fence installation.

2 GATE SECTION

Includes one gate and self-closing gate hardware for single gate installation.

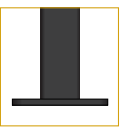

**Pool code requires all gates to be installed with self-closing hardware. Check requirements in your area.*

3 IN-GROUND POST

This post is used for in-ground post installations.

4 POST ON PLATE

This post is used for surface mounted post installations.

5 SWIVEL BRACKETS

Use the swivel brackets to replace the brackets that come included with the panel if you are attaching sections on an angle.

6 UNIVERSAL BRACKETS

Extra universal brackets are required if you are cutting a fence section into two smaller sections.

7 WALL MOUNT BRACKETS

With adjustable depth, use these brackets to secure our iron fence sections and posts to a wall.

8 WALL BRACKETS

These brackets are used to surface mount our fence panels to a flat surface.

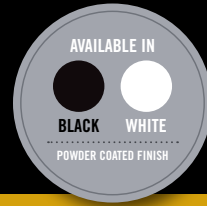

9 DOUBLE GATE CONVERSION KIT

This kit easily combines two single gates into one sleek, unified double gate.

IRON GATES: BLACK

Enhance your outdoor entrance effortlessly with our pre-built iron gates, elevating your property's aesthetics and, with hardware included, ensuring easy installation. Rust-resistant and featuring self-closing hardware, our ornamental iron gates easily install on iron, vinyl or wooden posts and make a secure and elegant entrance to any yard.

IRON GATES: CORAL | BLACK

This profile works to accent any outdoor space. Designed with clean, smooth lines, this top seller will create a timeless look in your outdoor area without taking away from the beauty of your home.

WALL MOUNT SUPPORT HANDRAIL KIT

Add safety, style, and stability to your home with this aluminum wall mount handrail kit. Designed for both interior and exterior use, it's perfect for porches, stairs, walkways, and entryways – wherever secure support is needed. Its sleek, flush-mount design saves space while enhancing your home's curb appeal.

Chosen for its clean, modern look as much as its space-saving design, this flush-mount handrail is ideal for entryways where stability matters—especially in wet or icy weather. A smart solution for homes with children, aging adults, or anyone who values safety without compromising style.

Elevate your entrance or interior with our stylish handrail. Crafted with both safety and aesthetics in mind, our railing is the perfect addition to your home.

- SAFETY AND STYLE:** Enhance your entrance with a sleek, secure handrail designed for stability and curb appeal.
- QUALITY CRAFTSMANSHIP:** Made from durable aluminum with a powder-coated finish for long-lasting reliability.
- SLEEK & SPACE-SAVING:** Our kit offers reliable support without the need for posts, making it a space-efficient solution for any setting.
- VERSATILE DESIGN:** A sleek, adaptable handrail that complements any home style, with the option to connect multiple kits or trim to size for a perfect fit.
- EASY INSTALLATION:** Designed for a quick, hassle-free setup with all brackets & fasteners included.
- LOW MAINTENANCE:** Rust-resistant and built to last, requiring minimal upkeep so you can enjoy your home stress-free.
- HARDWARE INCLUDED:** Hardware for installing on concrete, wood, composite and interior included.
- CONNECT & EXTEND:** Use multiple kits to extend your railing.

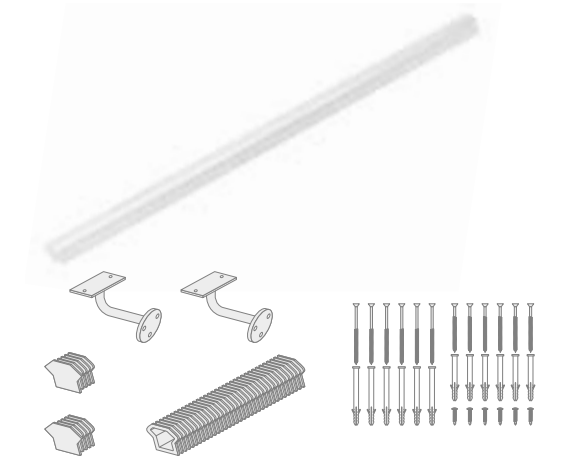

Also works for commercial projects.

FASTENERS

The beauty of our fasteners lies in their functionality and discreet elegance. Made of steel and layered with corrosion-resistant Ruspert® coating, our durable fasteners are designed to seamlessly blend into projects and last for years.

The self-countersinking properties of our deck screws allow them to flawlessly integrate into a variety of projects including deck and stair railings, fence projects, and so much more. Ultimately, the features of our deck screws allow them to discreetly complement any exterior wood-to-wood project, prevent staining and rusting, and ensure that your project safely lasts for years.

FASTENERS - CONCRETE SCREWS

The beauty of our fasteners lies in their functionality and strength.

FASTENERS - HEX WASHER HEAD SELF-DRILLING SCREWS

Built from high-quality carbon steel, our self-drilling screws are coated with a durable zinc plating that enhances their resistance to rust and corrosion.

Made of high-tensile steel and coated with a corrosion-resistant layer, our durable concrete screws are designed to seamlessly secure into concrete surfaces and last for years.

BLUE CONCRETE SCREWS

The self-sealing bond provides added protection against moisture, making these screws an excellent choice for projects where exposure to the elements is a concern.

Rust-Resistant

- ADDS PRIVACY / AJOUTE DE L'INTIMITÉ
- RUST-RESISTANT / RÉSISTANT À LA ROUILLE
- HARDWARE INCLUDED / QUINCAILLERIE INCLUSE
- VERSATILE - CUSTOMIZABLE / POLYVALENT - PERSONNALISABLE

Get the look that matches your space by pairing our kit with the material you would like to use. Our louver system works with 5 1/2" wide wood, glass, or vinyl panels for your slats (not included).

- Strong, durable, and with an added UV protectant, long-lasting.
- While perfect for conventional uses such as hot tub and pool enclosures, they also work beautifully in creative ways, such as privacy walls, or pergola roofs.

LSB48
 Designed for use of up to 48" width x 48" height
 Comes with 10 actuators, 22 brackets and screws included.
 UPC #664723440781

PRO GATE FRAMES

The versatile design of our gate frame is the perfect way to elevate any backyard entrance. Use with the arch for a classic look, or without the arch for a modern frame. Its tough, galvanized steel construction makes it as long lasting as it is good looking.

GATE FRAME BRACE KITS

Reduce the sagging and dragging of unsupported wooden gates with our high-quality gate kits. Designed with functionality in mind, strong square cornered frame braces create durable gates that'll look great for years.

Board material versatility gives you the freedom to choose what works best for you.

Insert dimensional fence board lumber that is 5 1/2" wide. These are suitable for standard 5/8" fence boards. Cedar or vinyl may need to be trimmed to size (boards purchased separately).

Additional style: Use without the arch for a clean and simple rectangular gate frame.

AGRICULTURAL FENCE

Our hexagonal welded wire mesh is designed to deliver easy shaping and installation while maintaining flexibility and strength from its interwoven pattern.

Reliable fencing made simple. Designed for property boundaries, livestock containment, and temporary setups, our wire mesh provides rugged strength with minimal maintenance. A weather-resistant coating protects against rust and corrosion, ensuring long-term value for outdoor projects big and small.

UNDERSTANDING POST OPTIONS:

CHOOSE THE RIGHT POST FOR THE JOB

T-BAR POST | For taller fences and tougher installs.

With their distinctive 'T' shape, these longer, more rigid posts offer enhanced in-ground support—ideal for weather-harsh zones or projects requiring more durability.

U-POST | Lightweight. Fast. Versatile.

Perfect for mesh, garden fencing, or barriers. Easy to drive and efficient for light-duty applications.
